**Additional information to the MAG-judges:**

- **Please inform me, as soon as possible, if you are not available to judge on Sunday!  
(roland.himberg@gymnastik.se)**
- **All judges are kindly requested to bring smartphones or similar devices, which will be used to register the scores. We are using a program called “Sport event system”.**
- **We have only one floor for FX. That means that we must synchronize the starts, so that WAG- and MAG-gymnasts take turns.**
